

## Anissa Channel Smith

May 3, 1985 - June 29, 2022

Our beloved daughter, sister, niece, aunt, and friend, passed away unexpectedly on Wednesday, June 29, 2022, at the age of 37. She is preceded in death by her father Thomas L. Smith

Anissa was born and raised in Cottage Grove, MN. Growing up she played soccer and softball and loved spending summers swimming in the family pool. She was an excellent cook and loved to bring food to her friends and family to enjoy.

She enjoyed challenging games of cribbage, wearing brand new socks, sipping on pickle juice, and had a passion for learning everything about history. She was known for her extensive collection of purses that showcased her bright personality and authenticity. There was never a week that went by where you would find her wearing the same purse.

Her heart was large, her kindness was selfless, and her generosity was unmatched. We need more Anissa's in the world. She will be dearly missed by all who were lucky enough to encounter such a kind and loyal soul.

She is survived by her mother Andrea Loken-Smith, and her siblings; W. Liston Smith (Holly), Tyler Smith (Sarah) and Lacey Smith (S/O Nick Sweere). Three nieces, Samantha, Charlotte, and Madelyn Smith. Many cousins, aunts and uncles and her best friend and angel on earth "Aunt Philly".

"Love being your mom" and "Love being your sister". Your family loves you and will miss you dearly, our sweet Nissy.

The family will hold a celebration of Anissa's life in the near future. In lieu of

flowers, please be kind to someone. Call a friend or relative you haven't reached out to recently. Forgive someone. All acts of kindness are appreciated.

“ We lived up the block from the Smith's for almost 40 years. Anissa was very special to us and especially to our daughter who was a dear friend with Anissa. They were the same age and saw one another daily. The Smith family took our daughter with them to the WI Dells more times than I can count! When Anissa stayed overnight at our house, we would enjoy playing music and dancing in the garage. She was always very welcome and even helped with breakfast! We loved her like she was ours. We're so sorry for your loss and we'll miss you, Anissa! Much love, the Tucci family

She was always a joy to visit with and would give 110% to help me and our customers, no matter what the issue or how long it took. Please accept my deepest condolences. Larry Thompson
