“ I will never forget you Anita. You were always so loving and positive. I will never forget those fun cookies you used to get for us as kids (Tina, Jim, and I) nor always trying to steal your Mt. Dew. I know you are in a peaceful place and love you very much.

“ My mom was the most amazing woman I have ever known. Even while fighting the terrible disease she had, she never stopped smiling. I have so many amazing memories of my mom. I love and miss you so much mom. Not a day will ever go by that I won't remember you, I am who I am today because of you. You showed me how to be the strong women I am today...

“ *I took care of Anita at Westview for 6 months. She and I shared laughter and tears. She stole my heart from the day we met. She was a beautiful woman with an amazing smile and laughter like an angel. I loved her like a family member. She had a soul too beautiful for the pain she suffered, and although I've shed tears for her and she will be greatly missed, she is at peace now with her sister and her grandmother. Rest in peace, Anita. You will forever be in my heart and part of my soul. I love you so much!*
