“ Anita and I met through our fathers who were both members of the Shriners. My father was Earle Raymond and when I knew Anita my last name was Taylor. She and I both lived in Fargo until she moved to St. Paul and I eventually moved. She always had a smile. So sorry for your loss.

“ Anita and I worked together at K- Mart and the bnk. Her famous thing to do was wear red on fridays. I asked her why red? She said why not? Then laughed and giggle at me. When we drove together to Mr.Z's retirement party. She told everyone t hat I lived in the most northern suburb of St. Paul. That she felt like she was driving to Canada. Well o.k. I do live in one of the northern suburbs of St. Paul and only have one more until it isn't St. Paul aymore. Love that woman!!

“ As a kid, I would always look forward to visits from Anita. Her laugh was contagious and would cheer up anyone that was there. One of the few people I have ever met that could cheer me up no matter the circumstance. I will always remember the kindness, love and support that Anita would give to me and my family. A great family friend who was always there for us. I will always respect and admire her ability to not only provide loving support during tough times, but also her ability to educate and ask us to self-reflect in order to become stronger as individuals and as a family. I will truly miss her. Such a wonderful person. My thoughts and condolences to Tom, Jason, Kindiss and the rest of the family.

“ It's hard to find the words to say about Anita.. she was so upbeat; loved her laugh.. we happened to see each other in Fargo this summer and was so nice to have that lengthy conversation. I sensed peace, contentment and joy from her and thought it's a good place to be. We worked together for about 12 years at Kmart which we got to be like family there. My deepest sympathy to all of you.. she'll be missed. May God bless and comfort you.. Peggy Monsebroten

Tom Jason and kindess my sympathy to you all and your Dad. Anita was like a big sister to me. She would take me for pizza when I was a little girl. And I was Flower Girl for her when she married Tom. She is now with Aunt Elaine and Uncle Blaise(God parents for both my sister and I) and hopefully at Peace. She will be missed

I was so sorry to hear the news about Anita...I was so glad that I ran into her when she was in Fargo last fall and that I got a chance to visit with her when Jacque was in the cities a couple years ago. I will always hold this woman dear to my heart, for all the good memories that we shared living next to each other on 8th Avenue and for all the love and support she always showed me. I'm sure she and my mom are catching up and laughing it up in heaven! She had the most infectious laughs and was one of the smartest people I have ever known. She had incredible insight and never had a bad word to say about anyone. She seemed so happy and at peace when I last visited her. Tommy, Jason & Kindess hold on to all those memories you have of your wonderful & beautiful mom. She will be missed. Audrey Stewart-Farol

I was so saddened to hear of Anita's death. She was a lovely, upbeat person and always fun to be around. I remember happy times when we would get together way back when all you kids were very small. Tom, Jason, Kindiss and families, my thoughts and prayers are with you all.
