

Ms. Ann Christine Barlament

April 25, 1952 - April 28, 2019

Ann Christine “Barley” Barlament, born April 25, 1952, passed away on Sunday, April 28, 2019.

Ann worked in the fields of computer programming, drafting and crafting. She spent her free time quilting, pursuing genealogical research on her family, and traveling with her life partner, Wayne Page. Despite her limited mobility in recent years, she gave of herself by sharing her talents: knitting boxes of hats and scarves that were donated to Project Linus; carefully sewing quilts not only for family and friends, but made many quilts for children with cancer; and crafting handmade comforts for military men and women serving overseas. Research of family ties continued for her, she had a curiosity that wouldn't quit! She shared her latest family discoveries in her last days.

Ann's “spunk” will be missed by many online friends, family connections made through her genealogic research and her immediate family. She is survived by her siblings, Wendy (Walter) Wenz and Todd Barlament; nieces Brooke Barlament, Skye (Jerry) Reynolds, Breeze (Stephen) Jacobson, Autumn (Robert) Walsh, Ivy Barlament and their families.

She is preceded in death by her parents, Merlin and Dorothy Barlament and her grandparents. Ann will be joining her partner, Wayne Page and her favorite dog, Buck, in Heaven. Ann will be laid to rest next to her Grandmother, Myrtle "Gran" Wenell.

A private family service will be held graveside. A party (per Annie's wishes) and celebration of life picnic will be hosted by her family on Saturday, June 1, 2019, from 12noon-2:00pm at Emerald Park in the indoor event area, 4014 MacAlaster Dr NE, St. Anthony, MN 55421, friends and family are welcome to attend.

A special thank you for the care given, laughter shared and compassion shown to Ann by Hennepin County Medical Center's Palliative Care Team, Social Workers, ICU and Medicine Floor Teams as well as friends that cared for her at the Estates of St. Louis Park.

Memorials may be given in Ann's name to Project Linus or the National Lymphedema Network.

“ I “met” Ann through my blog *Country Threads Chicken Scratch* and drove to Mpls to meet her several years ago. I admired her work ethic and energy to keep going in her difficult circumstances. We lost track of each other and just this morning touched base on her birthday only to learn she passed away a year ago. I m so sad to think we’ll never chat again but I’m happy for her to be restored to perfect health and be with Wayne again. She was a sweet gal - a one of a kind! My sympathies to her family.

“ Oh....Ann. How I remember when you and Wayne came to Australia @ 1996-1997 and you were too wary to eat the local food and had been living on McDonalds and KFC! You and Wayne passed the Vegemite test when you came to stay for a couple of days with me, in my newly built house at Toolamba.

The 90s was the last decade of the Great Letter Writers and PEN-pals : we sure kept the mailmen in jobs!

See you and Wayne on the flip side.

“ To all of Ann’s family, Charlie and I want to send our deepest sympathy on Ann’s passing. We followed her on Facebook to keep up on what was happening in her life and know these last years have been a struggle for her.

I was clear she loved having her nieces come to visit and know she’s in her heavenly home.

We wanted to come to the remembrance gathering you add, but our schedule just didn’t allow us.

As you work to put Ann’s estate in order we pray that everything unfolds smoothly for you.

Much love to you all (cousin) Charles and Victoria Williamson
