*Our dear cousin Ann was such a bright light in this world. Always looking at the positive side of things, always friendly and giving, always smiling, with kind words for all of us. Sending you all our love, dear Ann, and we're so thankful you are re-united with your true love, Tom.*

*Ann was my "beloved" next door neighbor for many years. She was the epitome of happiness, always smiling and oh so helpful!! On one occasion she was helping me pack up and move to a new, larger home upon the birth of our third child. I just had my third c-section and couldn't lift much so "Ann to the rescue". In the process of helping me, she got her finger caught in our garage door as it was coming down, OUCH!!!!!! As usual, she never complained!*

*She was always a bundle of energy and always had a smile on her face and was the life of the party at every get-together. Ann, you will be sorely missed by many. Rest in peace my dear soul. Your friends forever, JoAnn and Mike St.Aubin*
