“ I was just going through my contact list when I saw Ann's name. It just said Ann and her phone number. I knew her at my step class at the Southdale Y as "Ann". So I looked up her name and number online. There was her death notice. It seemed like Ann had the power to live on foreverShe never complained or felt sorry for herself. I know her positive spirit will live on forever. She was a gift to those that made her acquaintance.

“ Jane and family, please accept my sincere and deepest sympathies for the loss of Ann. She was a warrior like no other. The few times I met her she had such beautiful energy and joy. An inspiration to me personally. I know she flies with the angels now with peace. Blessings to you and may God give you strength during this difficult time.
