“ Mike and I were fortunate to meet Ann and Frank, Sr after meeting Frank at Bemidji State U. We partied in their Edina home basement when Frank still lived at home. If they returned from a date night, Frank, Sr would have to drag Ann upstairs as she would have preferred to stay and party with us! Spicy as I have heard others describe her is perfect and empowered her live 99 years 🍷. We shared many Shanesy parties and holidays with her. Her love for her family knew no bounds. May she now be at peace as she is reunited with her beloved. Grateful to have known her. Love, Sheila & Mike Fleming

“ Ann was a lovely next door neighbor for 23 years. She was a beautiful blend of spicy and sweet. She had a zest for life, a flair for entertaining, a wit that was sharp and fast and a kindness in her heart that was comforting and made you feel special and loved.

Her faithfulness felt like an umbrella covering all in her circle of love and care.

Her family is so lucky that she loved them with all her heart and faithfully prayers for them daily.

Our corner is a bit dim without her light shining brightly.

Blessed to have been her neighbors and sympathies to all the Matthews family.
