

Ann Marie Morris

July 17, 1968 - December 17, 2024

Ann was born to Steve and Kathleen Held on July 17, 1968, in Hammond Indiana. She passed away on December 17, 2024, at the age of 56, surrounded by her loving family. After graduating from high school in Sylvania Ohio, Ann moved with her family to Eden Prairie, Minnesota, where Ann attended St. Cloud State University and later Normendale Community College. Ann worked as a nanny and in day care for New Horizons, caring for mostly infants . In 1991, Ann met her husband of 33 years, Mark. Ann had numerous health issues during her life, due to type 1 diabetes, which she was diagnosed with at age 12. One great thing that happened was a kidney transplant from her husband Mark in 2006. The kidney thrived and functioned well up until Ann's death. Ann loved her family and friends and of course her dogs. She bravely fought her many health battles and will be dearly missed. Ann is survived by her husband, Mark, mother, Kathy, sisters Sara and Laura (Jordon) niece Miel and nephew Deagan as well as many other Aunts and Uncles and cousins. Ann was preceded in death by her father Steve and her grandparents. There will be a memorial service January 2nd at 11:00 A.M. in the chapel of Pax Christie Church in Eden Prairie Minnesota.
