“ Paul, Jim, John, Martha, Mary, Marjo and families, I am so sorry about your loss and I send prayers for all of you in the coming days. I would like to share this small memory I have of your mom... Years ago, I came over to pick up Mary (probably on break from school) and we found Anne in the yard poking around her magnificent field of violets. It was amazing. That vision inspired me years later when I found the same flower growing freely in my yard. Instead of considering it a weed, I realized how pretty the flower really can be. I now have a much smaller, less impressive display, but I always think about your mom when it is in full bloom. Much Love to you all,
