“ I have so many precious memories. Her poodle skirts, her handsome date picking her up (who became my Uncle Oohie), being in their wedding, her smile, her laugh, her teaching me to cook, her "shows", her and my mom hanging out, garage sales with her, going out to eat, taking her picture (which she hated), dancing with her, babysitting Shane - there are just so, so many.

I will miss her so terribly. And grateful for my cousins - more of her gifts to hold and cherish.

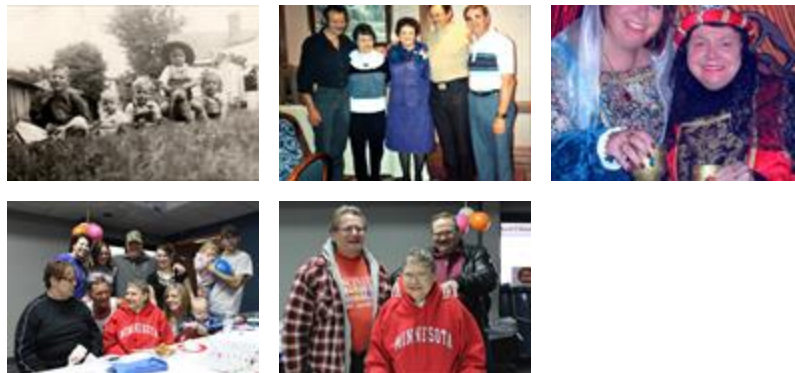

Her gifts will linger in the hearts and minds of each one of us to take out and cherish with a tear and a smile at each remembrance of her; beloved mother, grandmother, sister, aunt and friend.

God speed Auntie Anna!
