

## Anne Linnea Halverson

January 6, 1984 - April 20, 2020

Our brave, smart, beautiful, and loving daughter, sister, and mother, Anne Linnea Halverson, born January 6, 1984, left this world unexpectedly on Monday, April 20, 2020.

Anne is survived by her three children, Aidan Lattin (16), Jack Halverson (7), and Linnea Smith (2 1/2); her mother, Carol Just, her father, Ron Halverson and his wife, Susan Reichel; sister and brother-in-law Kate (Katharina) and Ralf Schirg, and niece, Helene Schirg, in addition to many loving aunts, uncles, and cousins.

Anne was an avid reader, and the stories she loved most were those where the human spirit triumphed over adversity, or where the underdog or persecuted found justice. She was a very sensitive person who often felt others' pain as deeply as her own. She always wanted to help others solve their problems, a trait that was highly valued in her work at RiverSource Annuity Services and by many friends.

Anne's life journey was full of challenges and setbacks, but she persevered to the best of her ability. Her "do-it-myself" temperament was evident even as a small child, and it helped her navigate the challenges of raising three children as a working single-parent.

Anne had a contagious laugh and a wonderful sense of humor. Anne loved her children more than anything else. All three of her children have inherited her wonderful rippling laugh, her twinkly eyes, and a fondness for fast-food, soda, and candy.

In lieu of memorials, Anne's family has established a GoFundMe page to provide for her three children: Creating a Future for Anne Halverson's Children
