“ Dear Denise and family,

I am incredibly saddened to hear of the death of your dear daughter, Anne. As you know Denise, I am aware that life is never the same after losing a child. I will never forget your generosity when my son died - it buoyed me up more than you know, to know people cared so much - and especially you!

Take care of yourself as you grieve and hopefully you will feeling a healing grace before long from all of the thoughts and prayers of those who have known and loved you and Anne, from loving memories, and the love of your granddaughter.

With warmest and caring wishes,

Kathie Faricy

I TOLD HER ABOUT MY FRIEND SHOEY - OUR HOMECOMING QUEEN - AND HER GENUINE ACCEPTANCE AND SMILING FACE FOR EVERY ONE OF US. I TOLD HER HOW THAT IS THE WAY TO HAPPINESS AND FRIENDSHIP.

A FEW DAYS LATER, I LEARNED THAT ANNE HAD DIED. HER FAMILY AND FRIENDS SHOULD BE PROUD TO KNOW THAT SHE IS STILL BEING HELD UP AS A ROLL MODEL! WE'LL MISS YOU ANNE! FROM KAREN - "KAN-DOO"

With a heavy heart my family and I prepare to leave our little town of Bayfield that you, Anne and Linnea bless with your presence, to go to Mpls to remember Anne's life. Our lives will never be the same without her amazing humor, love of life and far reaching friendship. Just down the street from us, in your welcoming Bayfield home with Mary, so many fun memories were created - most often on the spur of the moment. We will treasure each and everyone. God bless you as you make you way through a new beginning with Anne watching over you. We look forward to many more cherished memories that we will create and share with her in heaven. We love you and miss Anne dearly.

As everyone who came into contact with Shooley knows, she was amazing and one-of-a-kind. Her quick laugh, sense of humor and enjoyment of the absurd will never be forgotten. “ To Anne's family:

I was a former grade school classmate of Anne's at St. Peter's. While I hadn't seen Anne since 8th grade, I have several very fond memories of her "from way back when." In reading through the guest book entries, it's apparent that her dimples and great sense of humor made such an impression on so many people throughout the years. I was very saddened to hear of Anne's death and will keep you in our prayers.

Thanks to an incredible network of family and friends I was able to become very close to Anne. I recall very fondly the days in French class at AHA. Giving Monsieur Poisson grief, on a daily basis, seemed to be our mission. So very glad I am for you, as your suffering is over. So very sad I am for those left waiting, until the next time they will see your smiling face. May God's peace find and soothe your family and friends.

“ Dear Anne:

You are not only my niece, but a great friend, confidant, keeper of the family and fellow schemer. Your devotion to your family and friends is without comparison and will be missed. You have a special place in my heart and I will always smile when I think of you.

“Denise, as you know, Anne has been a part of our family since she and Ami (Hoepfner) started school together. They have been good buddies for over 30 years. We have loved Annie and prayed for her during her illness, but as we know, God's will always prevails. Anne has finally gained the ultimate peace. Now, we pray for Larry, Linnea, and all of you who have suffered along with Anne for all of the years of her illness. May God bless you and ease your pain with His love.
