“ We are saddened to hear about your loss. Annie (Nettie, Annette) was genuinely a kind, gentle, funny, lovable woman and she will be truly missed and will always be remembered. Our heartfelt condolences go out to you and your family. Annette used to be our babysitter growing up on the north side! She was so talented and did drawings for us when we were young. In recent years, we'd see her at McD's or Perkins and the wonderful hugs and her joyful laughter still resonate with us!  
Sincere sympathy,
