“ *David. - I was so surprised to receive the
notice from the Bishop of Anne's passing. I
remember so well how vital a presence she
was at Good Shepherd - as well as her
kindness. You are in my thoughts!*

“ Annette was a South Dakota gal - born and raised near Twin Brooks. A girl who, as my mother noted often, had the gift of music in her soul. She took piano lessons from my grandmother as a child and for most of my parents' Minnesota life, David and Annette lived just a few blocks away. I know that my mother and Annette would sometimes get together, but with kids and other responsibilities, our families never really meshed. However, both David and Annette were so very thoughtful and considerate as each of my mother's siblings here in the Twin Cities passed, they came, they gave their time and support to our family. Annette had the most beautiful eyes, warm smile. Often I'd see her at Hamline Church's sales and other activities. My deepest sympathy to her life companion David, whom she loved so deeply, and other family members.

“ I was so sorry to hear of Annette's passing. She was an example of what the Bible refers to as a "Christ-like life". She was my main support in choir, keeping me in tune and on beat. I will miss her sweet smile and her sense of humor and standing next to her in choir.

“ We share Annette's love of music, though not her skill as a musician. Her dedication to the making of music left an impression on us. Annette demonstrated the power of music to lift and inspire. Thank you, Annette, for all the music you shared and encouraged from others by sharing your love.
