“ Our heartfelt sympathy and prayers go out to the Jackson family at the passing of your Mother . "Momma" was a true example of love, patience, and generosity to everyone who came in contact with her throughout her life. She was steadfast in her beliefs, and in her family. We have all been truly blessed for her presence in our lives and will carry her memory in our hearts. Our love and gratitude to the Jackson family.

Love,

Tommie Clark, Kathy Clark and children.
