“ I meet Tony just 5 mths ago but I know that's why my father God brought me out here, just so I can get the privilege and honor to know him,to enjoy him,as a true to his word friend,I will forever be grateful to have got to know him for such a very small time...and I wouldn't trade it for the world! I can't believe he's gone even though he seen to prepare me for his death... In some crazy way, he knew it and told me...song:I'm just jealous of the angels around the throne tonight...by Donna Taggert. I love you Tony,you can still call me anytime of the night so I can be on the phone with you when you don't feel something's right ..i know you will always be there for me as my angel.

Love, Jennifer Duran
