“ Tony was a special man. The first time I met him I knew he was going to be an important piece of my life. He went to all the theater Productions that I was required to see if one of my college classes. Even when some of them weren't very good he was still up for the game for the next one. When he and Peggy married it was one of the happiest days of my life. Because they both found someone that loved them. Tony God bless you. I miss you.

“ Tony & Peggy Jo sponsored me for my first encounter with via de Cristo. It was a life-changing event in my life and I will always be so grateful to both of them for their commitment to me and my spiritual wellbeing. Tony always had a hug for me, a kind word, or possibly a funny, snarky remark that made me laugh. Bless you Tony! Blessings to you Peggy Jo & Bobby Jo and the rest of the family as you rest on God during this new journey.
