“ Tony was an amazing neighbor who also became a friend. When he first moved nextdoor to us, we had the pleasure of welcoming him to the neighborhood enjoying pizza and conversation on his deck. Over the years we were always welcomed by waves, smiles and conversation during yard work, in passing or just because. Tony was a great dad and we were proud to have our son play with his son and daughter when they were groing up. Tony gave rides to our son to and from work when we were not home, just so our son wouldn't be cold, he was an amazing man who cared with all his heart. Tony you will be greatly missed. Our thoughts and prayers go out to his family and friends, losing a loved one is never easy but we hope you all find some peace in the memories Tony made with each and every one of you. Rest in peace Tony!
