

Toni Khamvongsa

October 11, 1978 - December 26, 2025

It is with deep sorrow that we share the passing of our beloved Toni, who died far too soon following a cancer diagnosis. We are incredibly proud of his courage and the strength he showed, staying committed to the fight until the very end. Though his time with us feels heartbreakingly short, the love he gave and the life he nurtured will remain with us always.

After a challenging start to life, Toni chose a simple and peaceful one. He found comfort in quiet moments, deep joy in loving his family, and a true sense of purpose in grilling and smoking meats (a skill he mastered during the pandemic), gardening and caring for his many tropical plants. In nurturing living things, he found calm, healing, and happiness.

Toni was a devoted family man whose greatest joy came from being surrounded by those he loved. As a son, brother, husband, and uncle, he showed his care through quiet support, gentle humor, and a steady presence that made everyone feel at ease. His patience and kind spirit shone through everything he did. Toni will be deeply missed and forever remembered.

A private service will be held to honor and celebrate Toni's life. In keeping with his wishes and his love for simplicity and peace, the service will be limited to close family and loved ones. We are grateful for the outpouring of love, support, and understanding during this deeply difficult time. We have created this fundraising page to help support medical expenses and related costs. Any contribution, message, or shared memory is deeply appreciated and will help

carry forward the love, care, and gentleness that defined him.
