

April Annette Pomeroy

May 16, 1963 - August 18, 2025

April Annette Pomeroy, 62, passed away on August 18, 2025 following a sudden and brief illness, surrounded by her family. She was born in San Diego, CA on May 16, 1963 to Marilyn and Lyle Pomeroy. Living the life of a child whose father served in the U.S. Navy, she often played on the beautiful beaches of So. Cal and Hawaii, before moving to enjoy the finer sands of Park Point in Duluth, MN where her father closed out his military career. She was a proud graduate of Denfeld High School, the home of the Hunters! April spent most of her career as a marketing event specialist, her last decade with Lumen (formerly CenturyLink), where she made many friends. While working on her career dreams, she also lended her compassionate heart by providing assistance to people with disabilities or special needs.

April was known for her humor and love for having fun, done with a twinkle in her eyes. She was a loving daughter, sister, Auntie and great-aunt, who always showed up in just the right way with a special gift. She demonstrated generosity to her family and to non-profit organizations. She was a passionate sports fan, especially for her MN Vikings, and she never liked to lose at any game that she played. She had a great flair for decorating and enjoyed outdoor activities, one time roller-blading from Hinckley to Duluth in the two day 75 mile fundraiser for Multiple Sclerosis.

April is survived by her brothers Scott and Tom (Carrie), nephew Tyler, nieces Angela (Shane), Nicole (Zach), and Natalie (Jon) and her adorable great-nieces (Abby, Emmy, Makayla, Autumn, Lucy, Chloe, Pippa and Ruby) and

great-nephews (Hunter, Jack, Nash and Theo). She was preceded in death by her father Lyle, mother Marilyn and nephew Scott, Jr.

“ April I am going to miss you my friend. The last time I texted you and you didn't text back I thought to myself wow maybe she is finally taking a break for herself or out stalking Jelly Roll. Well now I know why you didn't text back. You will forever have the best seat from heaven at all his concerts, and the best view of the Vikings games. When I told you that I was having lunch with Courtney and Stephanie you were so excited for us and wished you were there, we wished you were there too. Though they are Bucs fans and me a Cowboys fan I will secretly root for the Vikings this season only because they just lost their greatest fan ever. Host meetings and event preps will never be the same without your sweet spirit, no one will be able to fill your shoes. My random stories of 1st day of school dramas or me smothering my boys too much and all the pictures of them growing you now get to witness first hand, but you're not here to talk me off the ledge when I'm sobbing about them or work. I'm sad that I didn't know you were fighting a health battle, I would tell you hey that cough doesn't sound good or you sound a bit off you should go get checked out. You would assure me that you were fine just a little under the weather, just needed a little rest, just a bit of fluid in your lungs you were find. Little did I know you were fighting just to give us more of you, I am thankful for having a bit of you not just in work life but friends outside of work. Rest now in Paradise sweet friend. Love you lots. Please hug my dad for me 💕

“ My condolences for your loss. I worked with April at LUMEN. She was the first marketing person I connected with. Loved her energy, her kind & considerate demeanor and enjoyed sharing laughs with her. April's personality was always upbeat and she "made things happen." I will miss her dearly as a colleague that I called a "friend." My heart goes out to all of you, her family. I cannot even imagine how you are feeling. Please know April made a lasting impression on so many people. Her memory will always bring a smile because of the way she touched our lives.

“ Tom, Carrie, Nicole, Natalie, Tyler & Families.

We can not express the sadness we are feeling at the loss of April. She was a very special and unique lady. We always will remember how she would organize our "family bowling get togethers". She was very adamant about making it happen. She was so sweet to the girls while they were growing up. I know how much Natalie, Shannan, and Amanda loved sharing time with her while she made everyone feel welcome and loved. She was very good to children. April was a true gift from God. We will all miss her terribly. May God's Peace and Love see you all through this time of loss. We know she is at peace with her Lord. God bless.

We love you all.

Love, John, Annette, Shannan, & Amanda Peifer
