“ *Sharing some memories: We all loved to visit Aunt Ardy who always had a smile on her face and was so welcoming and fun to talk with- always interested in what we were doing.*

She and Loren visited us in Portland several times (they loved salmon on the grill!).

We had great times with them in AZ, including one time we visited them in Tucson and, after a full day of sightseeing with them, we couldn't stay for banana cream pie that their friends had made for us -- so, several days later, Loren and Ardy drove to Phoenix, where we were staying, bringing a new banana cream pie made by their friends and we enjoyed it with them!!

Don remembers, when he was young, staying on the farm with Grandma & Grandpa and Ardy and Lolly were still at home and they would fuss and dote on him! He thought Ardy was like his big sister! Ardy and Loren had been to Norway several times and she provided us with valuable geneology info which helped us on our trip to Norway to find people and places of relatives. We loved to talk with them about Norway.

In recent years, Chris (whom Ardy & Loren used to babysit at times!) and Matthew also loved stopping to see her and have a great visit.

Ardy was a wonderful Aunt - and we will miss her. She was especially happy and excited a few years ago when she could take us to Greg and Sue's place at the lake. She was so very proud of all of you -- what great memories!
