“ *I will always remember Ardelle for that sweet smile and quiet laugh...her shoulders would gently shake up and down as she laughed, always make me smile thinking of that.*

Ardelle was a very strong and sweet loving and caring. She would be there if you ever needed someone to talk to. We worked together for 23 years and were best friends. I will miss talking to her every day sometimes we would talk 2 or 3 times a day. The stories she would tell us were very amazing. We would go out for lunch a lot and we had a great time. My thoughts and prayers go out to the family.
