“ *Mary and family – No matter the age or the circumstance, it is still very difficult to say goodbye to your dear Mother. Take comfort and find peace in her happiness to be reunited with your Dad and smile as you think of all of the memories she was a part of. You are and have been in my thoughts and prayers. Pam Wolbeck [co-worker of Mary]* ”

“ I will always remember how calm Ardelle always was. There would be kids and dogs all running around and she would be in the kitchen calmly making dinner for about a hundred people like it was no big deal. Always smiling and always grateful for her family. And her family was wonderful to her too. Her last few years were in loving arms. Always someone holding her, singing to her, talking about family memories. Ardelle was very special, a loving and loved woman. I would say that's a perfect life.
