“ *To our dear friend, Ardis!*

We will miss you greatly. We will miss your phone calls to share day to day things, playing Rummikub and Scrabble at your house, sharing thoughts about Peter's show and how it related to autism at our house, but most of all your great rhubarb jam & cookies! Randy and I had such a great time when we would stop by to end our dates and Joshua and Benjamin can remember you walking them down the sidewalk or helping them with their new bike riding skills. I loved how your hair would look on Thursdays after you got it done and I loved sharing the connection we both shared through breast cancer.

You are a treasured friend and I'm still not quite sure how to move forward, but knowing you are in God's loving arms and in no more pain is comforting to us.

Until we meet again, Ardis! Say hello to Lloyd for us!

All our love,

Randy, Julie, Joshua, & Benjamin
