“ I have so many wonderful memories of Arlene as she was my sister in law which began in 1967. We had many talks, sent cards on occasions thru the years and just held a true love for each other. Arlene was so kind, had such a beautiful heart that was willing to give and give no matter what. She Loved her boys so very much and family members, and friends. Arlene gave so much of her time to fur babies that needed homes with tender loving care and that's what they got with her caring for them. Arlene is going to be missed, but forever loved. Memories of her are instilled in my heart, my life and our whole family. She is now in the hands of our Lord with those that have passed on before her including the fur babies waiting at the Rainbow Bridge for her. We'll always love you Arlene.
