“Arlene, we had 45 years shared as “besties” filled with memories and love. Too many memories to list here. Three of my favorites? Both of us sitting with Santa at Como Park Zoo, taking the ferry and having a delicious lunch in Sausalito and our October camping trip. My deepest condolences to your loving family. I hope your sweet dad was the first one to hug you at heavens gate. Say hi to Deb for me. May you know complete peace. I’m not sure how I’m going to do this without you. You are, and will be forever missed. I love you to infinity and beyond.
