“ I was saddened to hear about Arlene's passing. I will always remember Arlene delivering Christmas gifts to my brother and myself from the Uejima family when we were kids and lived across the street on Morgan Ave N. It was about 5 years ago when I had heard Arlene was in the Bryn Mawr Nursing Home that I stopped in to visit with her. I had not seen her since 1970 when we moved from North Mpls. Arlene remembered who I was after I told her my nickname DeeDee she was so excited to see me after so many years had past.
