“ Deryck and Janelle, you have my deepest sympathy in your loss. I am sure that this has been a trying year for you both, having lost both your parents in a short time. Your Dad and Mom were a part of my life for over 30 years and they meant a lot to me. I wish that I could attend the funeral but am unable to.

“ Deryck, Janelle and families: Sorry to hear of your mother's passing. I taught with your mom at Mt. Wash. Elem. School in Eau Claire for a number of years. You mother was a wonderful teacher and fired. . .so organized, strived for order/routine, and above all the kids learned from her. It is with sincere sympathy this note goes out to you - her absence will indeed leave a void.

“ I knew Arlys long before we were in grade school (District 43). We walked to school until we moved to town. We went to the same church, the same Luther League. She married my brother.....she was always so bright and cheerful. We will miss her!
