“ I am just today learning of Arnie's passing. He and I were neighbors while he was stationed in Norfolk, Va. I have many fond memories of him. Spending evenings with other neighbors, laughing, telling stories, and dinners, too numerous to count. He was good at all of those things and I enjoyed most of all, our friendship. He was a good friend, that I have missed since his move back home. Now I will miss him forever, Prayers and good wishes for all of his family.

“ After the initial shock of Arnie's death one of my first memories of him was his love of the game of soccer. During one of my visits to see my Minnesota family Arnie and I kicked a ball back and forth. Just a nephew and his uncle sharing some time in the back yard. He was a great guy who made some bad choices. I will always remember the great guy.

“ We off prayers and hugs to the Angeloni family. Our son, Jeff Miller, grew up with Arnie from grade school through high school. We watched the boys during many soccer games over those years. We enjoyed Arnie's great smile! Rest in peace, Arnie.

“ Dear Arnold, Faye, and Nick, I am deeply saddened to learn of the death of Arnie. He was one of my daughter, Margaret's best friends throughout their days at Mounds View. And, of course, Arnold, your connection with my late husband, John, and all those little league games with John coaching Nick, and Mary bringing "refreshments" - well today the memories are flooding back. I will be out of town for the funeral but please know my heart goes out to all of you and my sadness is deep today. Pat Carlson
