“ Patti, Andy, Kathy and Karen,

What a beautiful service you had for your dad. And what a joyous occasion when he was at last reunited with your mom.

Arnie was a wonderful man and meant so much too many people. I will cherish the many memories of him both at work and at social gatherings. God bless you all.

“ Arnie cherished the gift of life and savored the joy of God's handiwork. I loved his slides he would show at lunchtime at Control Data. He was friendly and always had a smile to share. You will be missed my friend. Precious in the sight of the Lord is the death of his faithful servants.

“ I'm so very sorry to hear of Arnie's passing. Like your mother, he was just one of the truly nicest people. I always enjoyed their company when they were over at our house. Arnie's eyes would twinkle when he laughed - and made you want to laugh with him. My deepest sympathies to you all -
