“ So sorry to hear of Arnie' s passing. Arnie was my good buddy from Bemidji where we grew up together. We played in sports together. We also rode around in his 1950 Mercury which is now a classic car.

I will never forget our trips to Itasca State Park and Duluth. Arnie got in a fender bender in Itasca State Park but we made it home safely anyway.

Arnie and I spoke on the phone regularly over the past many years. We both followed sports and what was going on in Bemidji. Also of course talked about family.

Thanks Arnie for being my very good friend.  
May God Bless You in Heaven.
