“ My family had the privilege of growing up with the Kittleson's when they lived in Brooklyn Park. Us kids spent a lot of time together! Rochelle and I were good friends. One day she and I thought it would be great if I gave Rochelle a trim of her long hair to "even" it out. Well by the time we were done it was to her shoulders (yikes). I was so afraid Art was going to get angry with me. He was so sweet and all he said that I can recall is "Debbie from now on let us handle the barbering". I still remember that vividly! We had a great time growing up with the family and when they moved right before Rochelle and I were going into Junior High. They were a delight! It meant so much to my family when Sandy, Rochelle & Kristina came to my dad's wake when we lost him 4 years ago! It was like we just saw them. Sending you so much love and sympathy to you all! Hold onto all the wonderful memories!! They will help you through the rough times!
