“ Tracey - I am so sorry to hear about your dad especially with all you have been through the last couple of months trying to get his care in place. Know that you and your family are in my prayers. Please let me know if there is anything I can do. God's peace to you and your family.

“ Although he didn't achieve his plan to live to be 100, my dad lived a long and full life. He defied all statistical standards for longevity. He died peacefully in the best care possible. I will comfort myself with those facts and with knowing that he is survived by many amazing people who will remember him well.

“ Art was a good neighbor and a wonderful person. He is now with the Love of His Life who he missed to terribly since her passing several years ago. She was the main topic of conversation in every visit. He will be missed.
