

## Arthur Floyd Searcy

November 15, 1933 - July 16, 2024

Arthur Searcy, 90, of Saint Paul, MN, died in his home July 16, 2024.

Art was a machinist by trade, and loved working with his hands and fixing things. He enjoyed reading, especially about American history and his cherished Saint Paul. He was an avid runner, bike rider, lawn mower and beer drinker. He took pictures everywhere he went and loved traveling throughout the United States. He was a fantastic storyteller, even if he may have exaggerated a bit. He loved nothing more than spending an afternoon in his beautiful backyard surrounded by family and friends who will miss him dearly.

Art was preceded in death by his beloved wife of 55 years, Poppy, his sister Carol and his son Arthur. He is survived by his siblings Phil, Dave, Myrland and Emily, his children, Rick, Linda, Phil, Marisa and Brenda, his 9 grandchildren, his 13 great grandchildren and his one great, great grandchild.

A memorial will be planned for a later date.

“ I have known Art as Brenda's dad since the early 80's . One time , I remember Brenda telling me to hurry out of the back door of the house, because there was a bat hanging in the little spot between the house and garage, and her dad wouldn't get it out of there . Because, it wasn't hurting anyone ☐ I got to know him as a friend much later. We rode to I think it was Wabasha, and I heard many of his stories, all of them very interesting. He was indeed a wonderful storyteller. I believe Art had a good, long life, and he will be remembered fondly , always, by me.

I will always remember Marisa's Dad for his love of her Mom. They were such a romantic couple and always showed their love for each other. They always opened the doors to us for many summer nights of talking and laughing at the Sceary House. It is a blessing he is with Poppy and they are dancing to a song probably by Elvis!

*I've known Art for over 60 years. We've climbed mountains together, shared campsites in the Grand Canyon, Zion Park, Superior Forest, and we've enjoyed many a Summit EPA's together. He was a good man, a loyal friend and I shall sorely miss him. He said he wasn't a believer, but I recall him reciting a Hail Mary when climbing out of the Grand Canyon. God bless his soul!*
