

Arun Singh

October 13, 1954 - October 25, 2024

Arun Singh, 70, beloved husband, father and grandfather, died Oct. 25 in Plymouth of complications from gastric cancer.

Arun's wanderlust took him to more than 40 countries, most usually with his "trusted travel partner:" his wife Neelam. His zest for life attracted him to hobbies from model trains to bike riding to photography. He pursued the perfect shot of exotic birds and big game around the world. He regaled his three grandsons with his adventure stories and his daughters tales of his boyhood in India.

Arun was born Oct. 13 1954 in Calcutta. He graduated from the Madras Institute of Technology and worked in Calcutta before moving in 1986 to Fargo, where he earned a master's degree in computer engineering from North Dakota State University.

The family moved to Rochester in 1989 and the Twin Cities in 1991. Along the way they built a sprawling and enduring network of dear friends. Arun retired in 2023 as chief information officer of Cannon Falls-based Gemini.

Arun is survived by his wife Neelam, daughters Namrata and Neha, their husbands Patrick and Tyler, and grandsons Tej, Kiran and Jahan.

A visitation and memorial will occur at 1 pm Oct 28th at Hillside Chapel. Please consider donations to AWUM, who Arun was a board member of, and was a cause very close to his heart, benefiting victims of domestic violence. www.awum.org

“ I am grateful to mama for reaching out to me, when with the span of distance and time, it is so easy to stay disconnected. My childhood memories of him are few and fuzzy, but in one phone conversation he made me feel like we'd always been in touch. In my random and occasional visits to facebook, I used to search for his widlife photographs. I deeply admired the way he didn't let his illness daunt his spirit. I wish I had been able to meet him when he was in Delhi.

I hope that remembering him will bring all of you the comfort of happy memories you shared rather than sorrow at his journey's end.

“ From your dear friend Finney

*Ride on into the sunset
The journey has been long,
Difficult and painful
You have yet been strong.*

*To see the world - your dream
Fulfilled to a large extent,
Each item on that bucket list
The time was indeed well spent.*

*No baggage you carry
On this your very last ride,
Except happy, fond memories
That kept you satisfied.*

*Of family, children, grandchildren
What joy to have them near,
No picture in this world compares
To this scene of loved ones dear.*

*Of friends of childhood and youth
Who kept the bonds strong,
What would have life ever been
Hadn't each one of them come along.*

*So ride into the sunset
We stop to sit and mourn,
Farewell Arun, farewell my friend
We'll see you at the crack of dawn.*
