

Ashley Sax Christensen

February 13, 1984 - December 9, 2024

We mournfully announce the passing of Ashley Sax Christensen on December 9, 2024.

Ashley was born on February 13, 1984 in St. Cloud Minnesota. She attended Sartell Elementary School and Sartell Highschool. She graduated with a BSN from the University of Minnesota.

After graduating High School, Ashley devoted her time and care for 15 years to children as a Pediatric Nurse at Children's Hospital in Minneapolis. During her time at Children's she was awarded the Daisy Award, a recognition celebrating nurses for exceptional care and kindness they provide to patients and their families.

Ashley had many passions and hobbies. She was a very talented artist and enjoyed painting and drawing. She was also an exceptional chef and loved cooking for family and friends. She won the distinguished Blue Ribbon Award at the Minnesota State Fair for her delicious and coveted pickles. Ashley also loved traveling to and exploring new places. One of her favorite memories was spending her birthday in New Orleans. Ashley also loved being outside and near the water. She loved going to the beach at Lake Hiawatha with her son Sebastian.

Ashley is survived by her son Sebastian, husband Corey Sax, mother

Charlotte Christensen (Bill Mohs), sister Erica Hickey (Zack), her 6 cousins, nieces and nephews and loving Aunts and Uncles. She is preceded in death by her father, Mark Christensen and grandparents.

The family plans to have a Celebration of Life in her honor in the Spring of 2025. Details will be communicated at a later date.

“ Ashley was very free spirited and taught me how to be like that from a very early age. She was a really big influence on me when I got to see her. I miss her a lot and wish I got the chance to say goodbye.
