“ Blessings, I had the pleasure of meeting your mother for the first time about a year ago, and we just clicked! She spoke of her children and even your friends all of the time. She loved you so much. I am saddened to lose someone who I know could easily become my best friend. I will miss your phenomenal mother, many hugs and kisses to you both. Rhonda

“ Dear Rocky and Casey, We just learned about your mom's passing, and we are so very sorry. Ashley was a marvelous mom and friend, and I so enjoyed working with her at school during our Highlands years. In June I saw her downtown, and she gave me such a nice update on you kids. She was smiling and so very proud of you both. You have our deepest sympathy at this terrific loss. Ashley will be missed by many.

“ Rocky and Casey, I'm sorry this had happened and you two have to go through this too, I'm always here for you guys. Your mom was the best person in my life and had major impacts on me. It breaks my heart and its unfortunate this had happened so soon. Remember her beautiful smile and big loving heart. Cherish the memories and remember she's in a good place and not in pain. She's watching all over us and will live in our hearts forever. Even though we can't see her, she's still with us all the time. Call me for whatever reason I'll always be here, we're family. We'll all get through this. Like your mom always told me time heals.. time is all you need.. just time. She always knew how to fix everything.
