“ Dear Rashmi and Nangia Family, I just received Sanjay's email. I'm so sorry for your loss. I just met with Ashok at the end of June. I have had the extreme pleasure of working with Ashok over a number of years. He often shared the pride he had with his family. He shared family videos, and pictures of his trips to India most recently for his college reunion and vacation with Rashmi. Ashok always took time to ask about my family and take an interest in my kids welfare. I will miss his friendship. Respectfully Ned Bermingham.

“ To the Nangia family - so sorry for your loss. My husband worked with Ashok and I remember him from 3M picnics years ago and out of town meetings when I accompanied my husband. He talked so much about his family and was very proud of you all!

“ To the Nangia family, please accept my condolences for your loss. I had the pleasure of knowing Ashok during our working years at 3M and thru the RE group.

He was a good man and left his family and friends much too soon, may he RIP.

Thoughts and prayers to all.
