“ Ashton, We got through your 19th birthday, and Christmas, and the New Year, without you. We did it as a united family, and I'm sure you are happy about that. But to say it was easy, or say that any one of us wouldn't give anything to make it different, would be a lie. But we felt you there, all of the time, and your light burned brightly. We love you so much, always will, you are with us every step we take. I love you dearly, Pam

“ Dear Sharon Scott and Jake first of all i would like to thank you all for everything that you guys have done for me you all have been like family to me and ashton was like my sister, she was the best person that i knew the best no one else comes close to the kindness and caringness that ashton had. its hard to find someone like ashton in the world we live in today because she was so free spirited and always thought of others before thinking about herself ashton was there for anyone who was willing to listen sharon and scott you couldnt of done a better job raising a daughter ashton was perfect in everyway. I still cant beleive this horrible tragedy but i promise i will help out anyway i can because you guys have done more for me then i can ever repay you i loved ashton and there isnt a day that goes by that i wont think about her

“ I am among so many who can't begin to express the sorrow and heartache I feel for your loss. I can't begin to imagine how you must feel. Jess and I have talked about Ashton and our visit a few years ago. We remember how sweet Ashton was and how she tried so hard to help Jess feel at home. I knew she was destined to become the amazing and beautiful young woman she was. Know that you are all in our prayers everyday and your loss will be felt in our hearts forever. Ashton is sharing news with Jordan and Honey and God is holding her tightly.

We heard of your daughter's passing through our neighbors and fellow Hopkins High School parents, the Essels. Corey Essel describes Ashton as the type of girl who was certain to become a great mom someday. We can't imagine your pain right now. We hope that you find some comfort in the fact that Ashton apparently made a significant impact on many lives during her short time on this earth. We will pray for your family.

Knowing her family we knew that Ashton would be a gifted and wonderful person. We cannot comprehend what a loss this is for all of you. All we could do is to ask God to comfort you, to welcome Ashton into heaven and to light a new star so that her brilliance will be remembered for all time.*

“ I do not know your family, but am saddened for your loss. What a beautiful daughter you had. Not just physical beauty but she obviously accomplished a great deal in her short tenure here on earth. May you find comfort in knowing that you have an angel in heaven who will watch over you and your family.

Peace and God Bless
