“ I'm so sorry for the loss of your Mom. May your family find peace in your memories. Its been many years since I've seen your Mom. She was like a little mother hen with all her babies. Audrey was the ruler of that house for sure. I remember being outside sitting on the wall hanging with all of you guys and anyone that would stop by. When we got to loud she would yell out to be quiet. My thoughts are with your family during this difficult time. Sincerely, Shonagh Boyle

“ Oh, the gathering in Heaven today!!! Thinking of all of you during this time...although our hearts hurt so bad right now, there are soooooo many great memories, pictures and scenes in my mind ...from the time I use to go to your parents first apartment....full of babies, full of toys, full of diapers that I was commissioned to fold by Grandma Goering.....to the many visits of the "girls" at moms house.....the passionate conversations over coffee...and all the stuff in between!!!! May you feel Gods loving embrace during these next few days especially.
