“ *Sister Audrey is a very special lady . She was our Star secretary forever. She and my mother Doris, along with the two Carol's would travel together like musketeers around the country to different places representing the best of our order and our state. She loved her children and grandchildren and could usually be found filling you in on their doings. She was such a big part of our Star family and such a good friend to all who knew her. She will truly be missed. She will be welcomed home by many who are waiting, especially Bill. Rest in peace. Cathy and Dave vaidich*
