“ *Tim & Carlene: I worked with your mom for several years at the bank. She helped raise several of us young ladies during our time together. She gave me good advice and always listened. I can still picture your mom leaving the bank on the day she retired. She pushed on the door, turned and waved and flashed her beautiful smile. Keep her smile burning bright as you go through this difficult time. I loved your mom and you were so lucky to have her. Wendy Smith*
