“ Even though I did not know Audrey personally, I really wanted to express my condolences to you and your family during this difficult time. God truly cares how we feel and He is eager to reunite those that have fallen asleep in death with their loved ones once again. His word the bible speaks of this time occurring in the very near future when death will be a thing of the past. I wanted to share with you three scriptures, Isaiah 25:8 and Revelation 21:3, 4. I truly hope that those bible verses bring you comfort during your time of sadness.

“ *I will always remember Audrey as a loving and compassionate woman, mother and neighbor. Her poetry was beautiful and enlightened, and I can only imagine her busy and vibrant youth with Bill and the seven mini-Malones to raise and nurture! I remember when Romeo - our beloved cat for 18 years - and the reigning "dog/cat" of the neighborhood - passed. Audrey wrote the most endearing note to myself and the girls. It took a special woman to embrace the loss as though he were a child. She will be missed on this earth.*

My most heartfelt condolences go out to the family. Blessings to you all, and goodnight sweet Audrey.
