Audrey R. Tulberg

August 29, 1931 - July 10, 2024

92 years

Audrey was born in Minneapolis, the only child of Gunnar and Ruth Wanngren. Upon graduation from Wayzata High School Audrey began her career as an Administrative Assistant, mother to three sons, and Executive Assistant, with 25 years at Cargill, Inc. In retirement she continued to use her talents at Shalom Home for a number of years.

She was preceded in death by her parents and survived by her three sons, Tom, Bill, and Jim, and four grandchildren.

Audrey was active in local church ministry well into retirement, lending her administrative talents, her vocal talents, and leading numerous women's Bible studies over decades. She faithfully served Jesus, her Savior, and after a long journey with Alzheimer's Disease peacefully entered into the presence of Jesus.

The family has chosen a private service and interment alongside her parents.

Memorials in lieu of flowers can be directed to Presbyterian Homes,

recognizing their excellent care for over 20 years in three different facilities as Audrey's care needs increased. We are forever grateful to all the staff, nurses, therapists, administrators, and volunteers who faithfully serve the needs of the aging who live beyond the time where they can care for themselves.

“ I had the good fortune of meeting Audrey in the course of our professional work in philanthropy. She, in the Twin Cities and active with Cargill; I lived & worked in Outstate Minnesota. As my volunteer & professional duties took me often to the Twin Cities, I encountered Audrey with increasing frequency. It turned out, we shared a keen interest in arts & culture as grantmakers, volunteers, and consumers. Our relationship grew on that basis and we enjoyed our blended professional friendship over many years. In due course, I relocated out of Minnesota and we saw one another less frequently, though we relished our periodic reunions. The last time I saw Audrey, at her Minnetonka retirement home, she greeted me with uncertainty. I realized she had moved into a different cognitive place, and periodic visits became challenging for us. Over recent years, in lieu of visits, I always reached out on her birthday; this year, today, I realized she had taken residence in the heavenly domain she sought and so deserved. Rest in peace, dear Audrey, and enjoy the performance!
