

Mrs Avery Hamilton Scheib

April 12, 1968 - November 29, 2018

Scheib (Duffy), Avery H. Passed away on November 29th, 2018 at the age of 50. It is with much sadness that we announce her passing after a courageous two year battle against a rare kidney condition. She was a loving wife, mother, daughter, sister and friend, always willing to share her beautiful smile, quick wit and brilliant mind with everyone. She loved to spend time watching her boys play sports, attending charitable events, volunteering in the schools, Board Member and Scheduler for the Minnetonka Baseball Association and simply spending time with family and friends. She loved to travel, especially to her family's home in Lake George, NY or their annual family trip to Maui, HI. Her spirit lives on in the hearts of those who knew her. Survived by husband Dervis and sons Will and Sam, mother Kate Duffy and brother Charles Duffy (Jamie Mosher; nephews Rye and Luca, niece Ayla) as well as many other relatives and friends. She was preceded in death by her father, "Duf". Avery was born in Hartford, Connecticut. She graduated from Spaulding High School in Barre, VT, completed an undergraduate degree in Psychology from Carlton College and a Masters degree from the Carlson School of Management at the University of Minnesota. She was a dedicated employee and leader in her careers at Rosemount and Wavecrest. “ Believe it or not, I was Librarian in the high school Avery went to. I would occasionally hear from her over the years, and, for some reason, had the urge to get in contact with her now. I always called her Duffy. I love this woman, but everyone who knew her loved her, so that's nothing new. It has been such a shock to learn she has moved on. My heartfelt sympathies on your loss. I lost my wife of thirty years 12 years ago, so I feel like I know the pain you are in. Feel your grief and help those wonderful kids feel theirs. Feeling it is the only way to eventually be able to deal with it. You will never forget her, but, if you are the person I suspect you would have to be for Avery to love you, you will continue to live. Best Wishes. Much Love. DickWalton33@gmail.com
