

Baby Mary Immaculée Bona

June 8, 2024 - June 8, 2024

After nine months of being carried in her mother's womb and loved by her family, Mary Immaculée Bona was born into heaven on June 8th, 2024-the Feast of the Immaculate Heart of Mary. She was a beautiful image of God, weighing 7 pounds 6 ounces, and measuring 20 inches long. Her birth was bittersweet, filled with the joy and gratitude of the gift of having her, and also the sorrow and heartache of knowing she was already gone. Mary was the beloved daughter of Matthew and Margaret (Jandrich) Bona. She was loved and cherished by her siblings: Josephine (7), Evangeline (4), and Francis (2). She will be greatly missed and lovingly remembered by her grandparents, aunts, uncles, and many cousins. Though she is no longer with us, we continue to carry her in our hearts.

"We shall find our little ones again up above."

-St. Zelig Martin
