“ We are sorry to read about the death of Barbara Fredrickson Adams, who is your sister, mother and grandmother. She was a beautiful child and a lovely young woman. When we last saw her, Barbara spoke to us about the great love she had for her family. Barbara and Kathy Fredrickson were our childhood friends. We all lived on Cromwell Ave in South St. Anthony Park in northwest St Paul. Later, the Fredricksons moved to Roseville. but the Johnson girls stayed in St. Paul until they finally grew up.
