“ Barbara spent time in Decorah during several summers.....staying with Madeline and Ove. I always admired her talent and outgoing spirit. We had fun together. It was a surprise and pleasure to work as her substitute teacher in the choir program at Edina High School. I remember her fondly. Helen

“ Barbara was a friend of mine, through the choir at St George GOC. I saw her every Sunday, leading us in the chant as she played the organ. The last time I saw her, she gave me a length of Italian silk velvet, which I made into a scarf, and cherish still. She knew her music, and was fair and firm in her leading. Our choir at the time was a very nice little choir, with a good full sound, due in no small part to her insistence that we rehearse on a regular basis. I am so sorry she is gone.

“ *I remember Mrs. Bauman with warm affection. Mrs. Bauman gave me a foundation in music for which I am deeply grateful. I am certain her enthusiasm & confidence in young talent positively influenced thousands of young teens. She certainly did for me. May her memory be a blessing for her family and friends.*

“ *So sad to see this news today. Mrs. Bauman was my choir teacher from 7th grade at Southview Jr. High (1970) to 12th grade at Edina East High School (1975). She was such a positive influence on my life and when I ran into her later on in life it was a genuine pleasure to catch up and chat. She will be missed.*
