“ I rember when you would take me roller skating and put me on your shoulders. They would blow the whistle at us and we would laugh and laugh. See ya on the other side. Save a seat for me!! <3 <3

“ They say that memories will help you get through the loss of a loved one. If that is true, you have many wonderful memories to sustain you beginning with those good old days at Richmond Lake. Your family will always hold a special place in our hearts and know that we are thinking of you and keeping you in our prayers.

“ It has been MANY years since I have seen any of you; however, I have SO many memories of fun times at Richmond Lake - especially with Barb & Brad...countless hours playing on inner tubes and in the water!!! I wonder how many time we said to my grama & grampa (the Mettler's) or to Vinz & Marilyn... "just a couple more minutes"???? Please know that you are all in my thoughts and prayers and I am truly sorry for your loss. Tammy (Sjerven) Weisenberger

“ *I can't think of her as anything but Barb, or Barbie if I wanted to annoy her a little. My heart is broken, part of me is gone. She was love and laughter and mischief. My condolences to you all. Words escape me, but I share your pain and loss. She was my best friend for 40 years, and she will be my best friend until I join her. She loved you all, deeply. I know because she told me so. Hold to that now.*

I pray for us all. Shawn Smith Newport
