“ *Barbara was always a joy at our Silver Sneaker sessions. She always had a cheerful word to say and a big hug for me each time she came Always upbeat and even more so when she landed the job at Costco. Each time I met her at the job site she was so cheerful, all smiles, ready to hear the news. She enjoyed seeing me with my two grand children, age 2 and 4, ...she was ready with what ever sample she was doing that day for the girls. I will miss her smile, her wonderful attitude, and just plain talking with her. She was a great lady and will be missed by all who knew her.*
George Schell, member of Silver Sneakers exercise group.
